About the HWC Scholarship:

The New Mexico Hispanic Women's Council is a not-for-profit, intergenerational organization founded in 1988 to promote, support, and create opportunities for Hispanic women. The HWC Scholarship Program is established to provide academic scholarships and mentorship to Hispanic women who are residents of New Mexico. It is available to continuing college students (traditional and non-traditional). With these scholarships, the HWC envisions creating a legacy of: a) educating Hispanic women; b) moving them into professions; and c) enabling them to become valuable leaders in our community. The mentoring component of the scholarship requires the recipient to meet with an HWC mentor at UNM for academic and career advising. Scholarships are awarded on the basis of the strength of the applicant's personal statement (content & writing) and the potential to succeed based on letters of reference. Successful awardees will be considered for scholarship renewal.
